

# Presentation to Czech Aircraft Association

## Aircraft and Space component manufacturing industry in India current status & vision

22<sup>nd</sup> June 2021

# INDIA- AEROSPACE INDUSTRIES FOCUS

---

- **Government of India is focusing on manufacturing industries.**
- **State(Federal) governments initiatives for foreign investments.**
- **Sanction of various projects for Indian industries.**
- **Encouragement for technology development in aerospace and space.**
- **Ease of doing business in India.**
- **Vision of India to be a global hub for aerospace & exports.**

# INITIATIVES -GOVERNMENT OF INDIA

---

- ❖ AatmaNirbhar Bharat Abhiyan (Self reliant).
  - ❖ Import ban(Radars, Missiles, Aircraft, Helicopter, UAVs, Satellite, Engines etc.)
  - ❖ DAP 2020 - Indigenization 50% under **Buy (IDDM), Make in India..**
  - ❖ MSME- Special incentives by government of India.
  - ❖ Defence corridor - Tamil Nadu, Uttar Pradesh
  - ❖ FDI -100% involving technology
  - ❖ Strategic sale of PSUs and DPSUs
- 

# PROJECTS OF GOVT. OF INDIA

---

- **LCA production 83 Nos.**
- **Helicopter production ALH, LCH,LUH 187 Nos. under make category**
- **Missiles production – Agni, Akash, Nirbhay, Prahaar, Barak, Maitri**
- **Illusion I I2V – Transport aircraft joint production.**
- **Many satellite programs.**
- **MIG production (29/35)**
- **AMCA Future generation**
- **Procurement of I I4 aircraft Multi Role Fighter Aircraft(RFI)**

# INDIAN MSME - CAPABILITIES

---

- **Airframe components (Machining, Sheetmetal, Surface & Heat treatment, composites)**
- **Engine components (Machining, High temperature Vacuum brazing, Diffusion bonding etc.)**
- **Aircraft systems (LRUs) Mechanical, Electrical, Hydraulic etc.**
- **Avionics – Communication, Cockpit instruments, Radar, EW**
- **Tooling/GHE/GSE**
- **MRO at system level.**

**MSMEs are AS9100 C or D / NADCAP accredited.**

# TAKE AWAY TO CZECH AIRCRAFT ASSOCIATION

---

- **Government of India policy aims at India becoming a center for GLOBAL SOURCING**
- **Ease of doing business in India – Relaxed bureaucracy/processes.**
- **The current / futuristic projects under AatmaNirbhar Bharat Abhiyan will keep the aerospace MSMEs ever green.**
- **Indian MSMEs are willing and eager to have strategic partnership with technology companies.**
- **Technology tie ups under “Make in India” with Indian industries will profit the Czech aerospace companies.**

# FACILITATOR/ASSISTANCE

---

**Mr. C.S. Prakash**

**Managing Director**

**Pushpak Products India Pvt limited.**

**Mobile No. +91 9845048998**

**Mr. S. Ravi**

**Member, Advisory Board**

**International Business**

**Pushpak Products India Pvt limited.**

**Mobile No. +91 9845031048**

*THANK YOU*
