Your Excellency,

I have the honor to inform you that the Governor's Office of Gobi-Altai Province will host the Gobi-Altai Investment Forum in Altai City on 19–20 March 2025. This high-level forum aims to present the province's economic potential, showcase investment-ready projects and programs, and outline the incentives, policy support, and facilitation mechanisms available to prospective investors.

Gobi-Altai Province offers compelling investment opportunities across a range of priority sectors, including livestock breeding and processing, crop production, renewable energy, infrastructure development, mining, and tourism. The provincial administration remains fully committed to fostering a transparent and investor-friendly environment and to advancing mutually beneficial partnerships with international stakeholders.

In this context, I have the honor to extend a formal invitation to Your Excellency to attend the Forum in person. Your participation would greatly contribute to strengthening economic cooperation between Mongolia and your esteemed country, as well as to promoting sustainable and inclusive regional development.

For further information or to confirm participation, please contact:

We would also be most grateful for Your Excellency's kind support in sharing information about the Forum with businesses and potential investors from your country and in encouraging their engagement in this important initiative.

Please accept, Your Excellency, the assurances of my highest consideration.

G.CHINBAT,

GOVERNOR OF GOBI-ALTAI PROVINCE
