LEATHER GOODS AND ACCESSORIES

Before the war, our shop was engaged in sewing leather goods and accessories. Also, we produced eco-leather products with prints for every taste.

Many opinion leaders on Instagram enjoyed wearing and recommending our products to their friends, acquaintances, as well as to their audience.

All as one commented on the high quality products - wallets, covers, banana bags served them for a long time and did not succumb to wear and tear.

HISTORY

- **Until 24.02.2022** we were manufacturers of leather goods and worked with Ukrainian chains, supplying them with purses, bags and covers for documents, as well as corporate gifts for companies.
- **01.03.2022** we combined our experience and the best people and created the brand UkrKozaks (Ukrainian Kozaks) for the production of military ammunition, Which immediately goes to the front for free. Today we have grown to team of over 50 people and increased from 1 shop to 8.
- **Our mission** is to provide people around the world with quality, technological products of a wide range.
