## **5. Description of Problem, Suggested Intervention and List of Items**

*Brief description of the current situation which is to be targeted by the earmarked donation, and list of required items covered by the donation.*

Directorate General Of Health in Erbil would like to ask your kind support for supporting Erbil Emergency Hospital with medical equipment. This Project will serve a population of more than 1 million people, IDPs and refugees.

The humanitarian crisis in the region also affects the Kurdistan Region of Iraq, this crisis characterized by massive influx of refugees and IDPs from other regions in Iraq and Syria since July/August 2014. In addition to that the financial crisis have affected all sectors. In this context, the health system and services are also affected by this crisis.

Erbil Emergency Hospital will serve more than 1,000,000 people. Strengthen the capacity of Erbil Emergency Hospital through providing them with below medical equipment will provide emergency healthcare more for emergency cases which we face a lot daily cases.

We hope the Czech Republic can support our hospital to develop our Emergency Hospital.

We would like to ask for donation of the medical equipment for One-Day surgery office:

Technical specification for the One-Day surgery office package and items attached.

- Mobile Surgical light
- Electrosurgical unit
- Suction pump
- Set of surgical instruments
- Set of surgical sutures
- Set of adhesive covers
- Hot air sterilizer
- Examination and surgical chair
- Stretcher
- Patient monitor
- AED defibrillator
- Syringe pump
- Infusion pump
- Ozon therapy device
- Medical furniture
