## **5. Description of Problem, Suggested Intervention and List of Items**

*Brief description of the current situation which is to be targeted by the earmarked donation,  
and list of required items covered by the donation.*

**Al-Hayat International Hospital implements an extensive humanitarian program in which all proceeds from Czech donations will be fully used for charitable purposes to benefit the residents of Nineveh Governorate and its surrounding areas, refugees, and members of minorities. The program is designed to support the most vulnerable groups in society through continuous medical and social initiatives. These efforts include:**

*Regular visits to orphanages and elderly care homes, providing free medical examinations and healthcare services.*

*Medical visits and check-ups at the Juvenile Rehabilitation Center, offering ongoing healthcare support.*

*Performing more than 150 free surgical operations annually across various specialties.*

*Conducting advanced free procedures, including five open-heart surgeries for patients in need.*

*Organizing continuous health awareness campaigns across different specialties, with a particular focus on cancer and breast cancer, along with free screenings and discounted services for women.*

*Conducting regular visits to schools and universities and delivering educational health lectures.*

*Providing training and academic support to students and medical colleges, using the hospital's equipment and facilities free of charge to enhance both education and patient care.*

*Opening medical centers in districts and remote areas to offer free healthcare services in regions with limited access to medical facilities.*

*Participating in health and cultural festivals and offering free medical consultations and treatments.*

*Saving a large number of critical emergency cases through improved hospital capabilities and expanded capacity.*

*Supporting institutions for the deaf and mute, with more than 3,000 patients screened in 2024.*

*These initiatives reflect the hospital's commitment to humanitarian service, expanding access to healthcare, and strengthening its role in supporting the community and preserving lives.*

*Technical specification for One Day Surgery package and items attached.*
